

## Re-Opening Regulations for Indianapolis Motor Speedway Museum Guests and Employees – Last update: 7/2/2020

*For the health and safety of all Indianapolis Motor Speedway Museum visitors and our employees, management has adopted requirements for visitors and staff based on Centers for Disease Control and Prevention (CDC) guidelines and best practices, as well as Penske Entertainment, which owns the IMS Museum building. These regulations will be evaluated on a real-time basis, and when changes are implemented, the IMS Museum will share updates on its website and social media.*

### Important reopening info for visitors:

- **Masks are mandatory** for all visitors age 2 and over in the IMS Museum building and tour busses, per Marion County requirement. Please bring your own mask.
- **Health check:** All visitors must first check in at the IMS Museum main entrance and undergo a quick, no-contact temperature check. Any guest registering a fever (100.4 degrees Fahrenheit/38 Celsius or higher) will be asked to leave, along with their party.
- **Temporary suspensions:** For now, the Museum will not accept cash, and the ATM is not available. Please use credit and debit cards only. Also, ticket “pass outs” are suspended, meaning visitors may not purchase a museum admission ticket, leave the museum and re-enter later that day. (*This policy does not apply to IMS Museum members, but members will have to be re-screened upon re-entry.*)
- **Routine maintenance:** Please diligently observe social distancing protocol (6 feet or more). Wash your hands and/or use hand sanitizer before and after touching anything in the museum’s public spaces. When possible, avoid unnecessary contact altogether.
- **No rush:** Most importantly, if you feel ill, please *stay home!* Our current and upcoming exhibits run into 2021. There is plenty of time to see all the IMS Museum has to offer.

### Visitor Expectations: What is the IMS Museum doing to ensure your health?

- **Vigilance:** All museum staff are always required to wear masks in public areas, and they must undergo a temperature check and review and sign a health checklist each day.
- **Capacity is restricted:** A maximum of 100 guests will be permitted inside the Museum building at a time (including IMS Photo Retail and Gift Shops). No more than 20 guests are allowed on tour busses. Directional aiseways and additional spaces between exhibits have been created to maximize social distancing.
- **Interactives:** All interactive kiosks and displays are temporarily closed.
- **At the Ready:** IMS Museum staff have installed plexiglass barriers in the lobby, nine hand sanitizing stations throughout the Museum, and implemented a robust, ongoing cleaning and sanitizing schedule for all public surfaces.

The IMS Museum staff is very excited to welcome our guests back to “The Racing Capital of the World,” and to provide you with the highest-level customer service experience. See you soon! Questions? Call the welcome desk at (317) 492-6784.

Thank you for your cooperation and understanding! We are all #INThisTogether.
